

WEALTH MANAGEMENT DEVELOPMENT PROGRAM

“

The Wealth Management Development Program allowed me to learn about the different departments and find out what areas I was interested in. It was a great transition between college and my career.

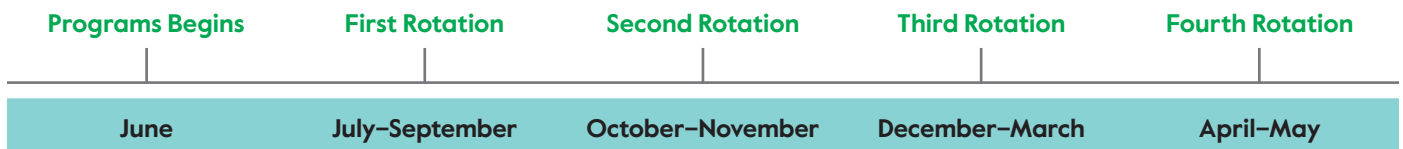

”

Former Trainee, now Private Banking Account Executive

Designed for recent college graduates and Associated Bank colleagues, this **12-month program** provides professional experience through rotations in key business units including:

Participants complete a structured sequence of tasks to learn the fundamentals of each discipline and have the opportunity to contribute to day-to-day production almost immediately. The program’s end goal is to place participants in positions of need for which they are best suited, based on strengths and professional interests.

Requirements
